To Whom It May Concern:

Re: Recommendation Letter for Carter J Sanchez

Let me speak to two aspects of Carter's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Carter took 5(A) PHYSICS-FORCES & MOTION and got a grade of B 84%. Carter is a student with intellectual curiosity and academic grit. Carter asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Carter for the next step in his education.

Leadership: During Carter's career at PHS, I have only seen positive interactions with his peers. Carter works well in teams sharing his ideas and listening carefully to the ideas of others. Carter is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Carter for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
