To Whom It May Concern:

Re: Recommendation Letter for Austin M Rhodes

Let me speak to two aspects of Austin's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Austin took 2(A) MICROSOFT OFFICE SPECIALIST 1 and got a grade of B- 81%. Austin is a student with intellectual curiosity and academic grit. Austin asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Austin for the next step in his education.

Leadership: During Austin's career at PHS, I have only seen positive interactions with his peers. Austin works well in teams sharing his ideas and listening carefully to the ideas of others. Austin is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Austin for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
