To Whom It May Concern:

Re: Recommendation Letter for Wyatt W Edwards

Let me speak to two aspects of Wyatt's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Wyatt took 6(A) PHYSICS-FORCES & MOTION and got a grade of B- 81%. Wyatt is a student with intellectual curiosity and academic grit. Wyatt asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Wyatt for the next step in his education.

Leadership: During Wyatt's career at PHS, I have only seen positive interactions with his peers. Wyatt works well in teams sharing his ideas and listening carefully to the ideas of others. Wyatt is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Wyatt for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
