To Whom It May Concern:

Re: Recommendation Letter for Victor Manuel Hernandez Contreras

Let me speak to two aspects of Victor's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Victor took 2(A) MICROSOFT OFFICE SPECIALIST 1 and got a grade of F 29%. Victor is a student with intellectual curiosity and academic grit. Victor asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Victor for the next step in his education.

Leadership: During Victor's career at PHS, I have only seen positive interactions with his peers. Victor works well in teams sharing his ideas and listening carefully to the ideas of others. Victor is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Victor for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
