To Whom It May Concern:

Re: Recommendation Letter for Alex Ramirez

Let me speak to two aspects of Alex's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Alex took 2(A) EARTH SCIENCE ASTRONOMY and got a grade of B- 82%. Alex is a student with intellectual curiosity and academic grit. Alex asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Alex for the next step in his education.

Leadership: During Alex's career at PHS, I have only seen positive interactions with his peers. Alex works well in teams sharing his ideas and listening carefully to the ideas of others. Alex is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Alex for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
