To Whom It May Concern:

Re: Recommendation Letter for JD Zavala

Let me speak to two aspects of JD's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

**Academics:** This year (2021-2022), JD took 3(A) PHYSICS - WAVES and got a grade of A 98%. JD is a student with intellectual curiosity and academic grit. JD asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend JD for the next step in her education.

**Leadership:** During JD's career at PHS, I have only seen positive interactions with her peers. JD works well in teams sharing her ideas and listening carefully to the ideas of others. JD is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending JD for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
