To Whom It May Concern:

Re: Recommendation Letter for Isaac S Czebotar

Let me speak to two aspects of Isaac's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

**Academics:** This year (2021-2022), Isaac took 3(A) ACCELERATED PHYSICS and got a grade of A 93%. Isaac is a student with intellectual curiosity and academic grit. Isaac asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Isaac for the next step in his education.

**Leadership:** During Isaac's career at PHS, I have only seen positive interactions with his peers. Isaac works well in teams sharing his ideas and listening carefully to the ideas of others. Isaac is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Isaac for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
