To Whom It May Concern:

Re: Recommendation Letter for Lucia Isabel Robledo

Let me speak to two aspects of Lucia's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

**Academics:** This year (2021-2022), Lucia took 3(A) ACCELERATED PHYSICS and got a grade of A 96%. Lucia is a student with intellectual curiosity and academic grit. Lucia asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Lucia for the next step in her education.

**Leadership:** During Lucia's career at PHS, I have only seen positive interactions with her peers. Lucia works well in teams sharing her ideas and listening carefully to the ideas of others. Lucia is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Lucia for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
