To Whom It May Concern:

Re: Recommendation Letter for Melissa Elizabeth Ovalle Ramirez

Let me speak to two aspects of Melissa's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

Academics: This year (2021-2022), Melissa took 2(A) EARTH SCIENCE ASTRONOMY and got a grade of B- 80%. Melissa is a student with intellectual curiosity and academic grit. Melissa asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Melissa for the next step in her education.

Leadership: During Melissa's career at PHS, I have only seen positive interactions with her peers. Melissa works well in teams sharing her ideas and listening carefully to the ideas of others. Melissa is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Melissa for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
