To Whom It May Concern:

Re: Recommendation Letter for Orlando Ivan Rogel

Let me speak to two aspects of Orlando's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Orlando took 6(A) MICROSOFT OFFICE SPECIALIST 1 and got a grade of F 6%. Orlando is a student with intellectual curiosity and academic grit. Orlando asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Orlando for the next step in his education.

Leadership: During Orlando's career at PHS, I have only seen positive interactions with his peers. Orlando works well in teams sharing his ideas and listening carefully to the ideas of others. Orlando is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Orlando for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
