To Whom It May Concern:

Re: Recommendation Letter for Ximena Rojas Cendon

Let me speak to two aspects of Ximena's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

Academics: This year (2021-2022), Ximena took 2(A) MICROSOFT OFFICE SPECIALIST 2 and got a grade of A 106%. Ximena is a student with intellectual curiosity and academic grit. Ximena asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Ximena for the next step in her education.

Leadership: During Ximena's career at PHS, I have only seen positive interactions with her peers. Ximena works well in teams sharing her ideas and listening carefully to the ideas of others. Ximena is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Ximena for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
