To Whom It May Concern:

Re: Recommendation Letter for Tonkra Phomtanaphun

Let me speak to two aspects of Tonkra's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Tonkra took 6(A) PHYSICS-FORCES & MOTION and got a grade of A- 92%. Tonkra is a student with intellectual curiosity and academic grit. Tonkra asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Tonkra for the next step in his education.

Leadership: During Tonkra's career at PHS, I have only seen positive interactions with his peers. Tonkra works well in teams sharing his ideas and listening carefully to the ideas of others. Tonkra is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Tonkra for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
