To Whom It May Concern:

Re: Recommendation Letter for Donovan Ricardo Arellano

Let me speak to two aspects of Donovan's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Donovan took 3(A) ACCELERATED PHYSICS and got a grade of F 21%. Donovan is a student with intellectual curiosity and academic grit. Donovan asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Donovan for the next step in his education.

Leadership: During Donovan's career at PHS, I have only seen positive interactions with his peers. Donovan works well in teams sharing his ideas and listening carefully to the ideas of others. Donovan is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Donovan for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
