To Whom It May Concern:

Re: Recommendation Letter for Christopher Reyes

Let me speak to two aspects of Christopher's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Christopher took 6(A) PHYSICS-FORCES & MOTION and got a grade of B 86%. Christopher is a student with intellectual curiosity and academic grit. Christopher asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Christopher for the next step in his education.

Leadership: During Christopher's career at PHS, I have only seen positive interactions with his peers. Christopher works well in teams sharing his ideas and listening carefully to the ideas of others. Christopher is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Christopher for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
