To Whom It May Concern:

Re: Recommendation Letter for Matthew Del Campo

Let me speak to two aspects of Matthew's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Matthew took 5(A) EARTH SCIENCE ASTRONOMY and got a grade of C 76%. Matthew is a student with intellectual curiosity and academic grit. Matthew asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Matthew for the next step in his education.

Leadership: During Matthew's career at PHS, I have only seen positive interactions with his peers. Matthew works well in teams sharing his ideas and listening carefully to the ideas of others. Matthew is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Matthew for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
