To Whom It May Concern:

Re: Recommendation Letter for Alina Hernandez Ortega

Let me speak to two aspects of Alina's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

**Academics:** This year (2021-2022), Alina took 5(A) EARTH SCIENCE ASTRONOMY and got a grade of B 84%. Alina is a student with intellectual curiosity and academic grit. Alina asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Alina for the next step in her education.

**Leadership:** During Alina's career at PHS, I have only seen positive interactions with her peers. Alina works well in teams sharing her ideas and listening carefully to the ideas of others. Alina is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Alina for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
