To Whom It May Concern:

Re: Recommendation Letter for Destiny Alizeth Soto

Let me speak to two aspects of Destiny's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

Academics: This year (2021-2022), Destiny took 3(A) ACCELERATED PHYSICS and got a grade of A 99%. Destiny is a student with intellectual curiosity and academic grit. Destiny asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Destiny for the next step in her education.

Leadership: During Destiny's career at PHS, I have only seen positive interactions with her peers. Destiny works well in teams sharing her ideas and listening carefully to the ideas of others. Destiny is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Destiny for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
