To Whom It May Concern:

Re: Recommendation Letter for McKenna Meier

Let me speak to two aspects of McKenna's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

Academics: This year (2021-2022), McKenna took 6(A) PHYSICS-FORCES & MOTION and got a grade of A 95%. McKenna is a student with intellectual curiosity and academic grit. McKenna asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend McKenna for the next step in her education.

Leadership: During McKenna's career at PHS, I have only seen positive interactions with her peers. McKenna works well in teams sharing her ideas and listening carefully to the ideas of others. McKenna is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending McKenna for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
