To Whom It May Concern:

Re: Recommendation Letter for Silas Aaron Lyman

Let me speak to two aspects of Silas's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

**Academics:** This year (2021-2022), Silas took 2(A) MICROSOFT OFFICE SPECIALIST 2 and got a grade of D 60%. Silas is a student with intellectual curiosity and academic grit. Silas asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Silas for the next step in his education.

**Leadership:** During Silas's career at PHS, I have only seen positive interactions with his peers. Silas works well in teams sharing his ideas and listening carefully to the ideas of others. Silas is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Silas for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
