To Whom It May Concern:

Re: Recommendation Letter for Ayden Jonathan Eves

Let me speak to two aspects of Ayden's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Ayden took 3(A) ACCELERATED PHYSICS and got a grade of D+ 67%. Ayden is a student with intellectual curiosity and academic grit. Ayden asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Ayden for the next step in his education.

Leadership: During Ayden's career at PHS, I have only seen positive interactions with his peers. Ayden works well in teams sharing his ideas and listening carefully to the ideas of others. Ayden is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Ayden for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
