To Whom It May Concern:

Re: Recommendation Letter for Sebastian Guadarrama

Let me speak to two aspects of Sebastian's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Sebastian took 5(A) EARTH SCIENCE ASTRONOMY and got a grade of D 63%. Sebastian is a student with intellectual curiosity and academic grit. Sebastian asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Sebastian for the next step in his education.

Leadership: During Sebastian's career at PHS, I have only seen positive interactions with his peers. Sebastian works well in teams sharing his ideas and listening carefully to the ideas of others. Sebastian is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Sebastian for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
