To Whom It May Concern:

Re: Recommendation Letter for Benjamin Vejar Orta

Let me speak to two aspects of Benjamin's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Benjamin took 5(A) EARTH SCIENCE ASTRONOMY and got a grade of B- 80%. Benjamin is a student with intellectual curiosity and academic grit. Benjamin asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Benjamin for the next step in his education.

Leadership: During Benjamin's career at PHS, I have only seen positive interactions with his peers. Benjamin works well in teams sharing his ideas and listening carefully to the ideas of others. Benjamin is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Benjamin for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
