To Whom It May Concern:

Re: Recommendation Letter for Emely Abigael Hernandez

Let me speak to two aspects of Emely's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

Academics: This year (2021-2022), Emely took 2(A) EARTH SCIENCE ASTRONOMY and got a grade of D+ 69%. Emely is a student with intellectual curiosity and academic grit. Emely asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Emely for the next step in her education.

Leadership: During Emely's career at PHS, I have only seen positive interactions with her peers. Emely works well in teams sharing her ideas and listening carefully to the ideas of others. Emely is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Emely for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
