To Whom It May Concern:

Re: Recommendation Letter for Cherish Paige Song

Let me speak to two aspects of Cherish's student career at Pasco High School (PHS) as I have observed them: first in relation to her academics and second as relates to her leadership.

Academics: This year (2021-2022), Cherish took 3(A) ACCELERATED PHYSICS and got a grade of F 54%. Cherish is a student with intellectual curiosity and academic grit. Cherish asks good questions, and perseveres until she gets an answer. You will notice from her transcript that she has consistently taken challenging courses. I heartily recommend Cherish for the next step in her education.

Leadership: During Cherish's career at PHS, I have only seen positive interactions with her peers. Cherish works well in teams sharing her ideas and listening carefully to the ideas of others. Cherish is consistently respectful and patient with all those with whom she comes into contact. I have no reservations recommending Cherish for a scholarship, field of study or academic pursuit. I have no doubt she will be a valuable contributor to any organization.

Sincerely,
