To Whom It May Concern:

Re: Recommendation Letter for Oscar Osbaldo Rojas

Let me speak to two aspects of Oscar's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Oscar took 3(A) ACCELERATED PHYSICS and got a grade of A 99%. Oscar is a student with intellectual curiosity and academic grit. Oscar asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Oscar for the next step in his education.

Leadership: During Oscar's career at PHS, I have only seen positive interactions with his peers. Oscar works well in teams sharing his ideas and listening carefully to the ideas of others. Oscar is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Oscar for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
