To Whom It May Concern:

Re: Recommendation Letter for Miguel Angel Villanueva

Let me speak to two aspects of Miguel's student career at Pasco High School (PHS) as I have observed them: first in relation to his academics and second as relates to his leadership.

Academics: This year (2021-2022), Miguel took 5(A) EARTH SCIENCE ASTRONOMY and got a grade of D 64%. Miguel is a student with intellectual curiosity and academic grit. Miguel asks good questions, and perseveres until he gets an answer. You will notice from his transcript that he has consistently taken challenging courses. I heartily recommend Miguel for the next step in his education.

Leadership: During Miguel's career at PHS, I have only seen positive interactions with his peers. Miguel works well in teams sharing his ideas and listening carefully to the ideas of others. Miguel is consistently respectful and patient with all those with whom he comes into contact. I have no reservations recommending Miguel for a scholarship, field of study or academic pursuit. I have no doubt he will be a valuable contributor to any organization.

Sincerely,
